NEW PRAXIS TESTS: TEACHING ENDORSEMENTS OTHER THAN ELEMENTARY EDUCATION

Educational Testing Service (ETS) periodically reviews and revises their assessments to keep them current. According to this schedule, several tests have been phased out or will be phased out in the near future, and new tests have been adopted to replace them, as noted below.

Note: Certification candidates must take the new test adopted after the effective date below. Previously adopted tests, if taken PRIOR to the effective date of the new tests listed below, and passed at or above the standards previously set by Connecticut, will be accepted for five years after the effective date of the new (regenerated) tests.
